EXTENSIS ANNOUNCES IT'S SPONSORSHIP OF THE 2009 NJ-BIZ – FIFTY FASTEST GROWING COMPANIES PROGRAM

JULY 22, 2009

WOODBIDGE, N.J. – Extensis Group LLC., Today Extensis announced it's sponsorship of the 2009 NJBIZ "Fifty Fastest Growing Companies" Program. This program recognizes companies that have managed to grow during difficult economic times.

The Fifty Fastest Growing Companies Program is a year round effort to document companies that have improved their business practices, streamlined processes and positively impacted their bottom line. These companies can serve as examples of success in the face of adversity. The program measures year over year revenue growth, from 2005 through 2008.

The finalist companies will be recognized and honored at the "Fifty Fastest Growing Companies" awards ceremony on Monday, November 16th, 2009. The final rankings will be revealed at the ceremony.

"When we considered the purpose and impact the program has made to businesses in New Jersey, it was obvious we should be involved" said Dan Sheridan, Chief Marketing Officer of Extensis. "Increasingly, small business leaders are looking to manage their costs, streamline administration and position themselves for growth as the economy recovers. The companies involved in this program have been successful in leading the way. These principles are also why Extensis has succeeded in continuing to grow at a record pace."

Extensis was founded eleven years ago with the concept of providing PEO services to the small and midsized business community in the NJ-NY metropolitan area.
