

# Extensis HRO

Extensis HRO (Human Resources Outsourcing) gives larger employers access to the same high-touch offerings as our PEO clients while you remain the employer of record – the best of both worlds. With the flexibility to design custom benefit solutions, only available in the open market, HRO is a highly configurable solution, empowering employers, in partnership with their brokers, to retain flexibility and ownership of their insurance products.

## Extensis HRO is designed for businesses with:

White-Collar companies  
with 100 + WSEs

Grey & Blue-Collar  
companies with 50+ WSEs

A need for comprehensive  
solutions from a single vendor

A need for more configurability in a  
cost-effective personalized HR solution

Small HR departments who still need  
access to HR expertise and services

## Extensis HRO Offers:

- Extensis' world-class service model
- An assigned team of dedicated HR experts
- Personalized analysis of your current HR practices
- Regular HR regulatory reporting and guidance
- Risk management and safety services
- Benefit compliance and administration
- Tailored recruiting services & support
- And more...

Going with an HRO model does not have to mean sacrificing personalization and great service. To learn more about HRO and how to get started, reach out to your Broker Sales Manager, call 888.473.6398 or email [marketing@extensigroup.com](mailto:marketing@extensigroup.com).
