

Portfolio of HR Solutions

HR SERVICES • BENEFIT SERVICES • RISK & COMPLIANCE SERVICES

At Extensis, we promise to simplify HR. Small and medium sized businesses recognize that our promise delivers an even greater benefit—time to focus on growing their businesses.

OUR HR SOLUTIONS ARE BUILT TO FIT YOU

We deliver on our promise by developing personalized Professional Employer Organization (PEO) solutions to fit your company's goals from our portfolio of services. Then, we follow up with local, personalized service to all levels in your organization. Our advanced technologies keep the HR experience easy and efficient for you and your employees. With Extensis, you can consolidate all your HR, benefits, and risk management functions in one place—and eliminate the challenges of managing multiple vendors. As your business grows, you can continue with Extensis, the PEO partner who knows and understands you, your business, and your employees. Together, we'll periodically review your goals and needs to ensure you always have HR services you need.

HR Services

 HR Management Services	Available anytime to your employees, managers, and leadership, our dedicated service teams provide expert guidance and protection.	 Recruiting Services	Services range from best practice tips and tools, position development, candidate screening, guidance on interviewing and compliance, to full-service recruiting options.
 Payroll & Tax Services	Complete online payroll processing and tax administration with customizable payroll reports.	 Culture-Building Consulting	Tailored, strategic recommendations for increasing employees' emotional connection to your business and establishing a positive working environment.
 Performance Management Services	Guidance for performance reviews, employee and company goal alignment, and pay-for-performance policies to reduce turnover and increase employee engagement.	 Compensation Consulting	Wage and compensation strategies and planning for a competitive "total rewards" program, including a sophisticated salary assessment tool.
 Training & Development Services	On-demand training opportunities to meet employee development needs at all levels.		

HR Personalized.

ABOUT EXTENSIS

Extensis was established in 1997 to offer a truly personalized PEO service model. Our goal is to make the complex world of HR simple and help entrepreneurial companies achieve their aspirations.

Today, Extensis is one of the largest PEOs in the U.S. and the fastest growing PEO in the Northeast. We manage over \$2 billion in employment-related costs annually.

A highly regarded PEO, Extensis is among the five percent of PEOs with an Employer Services Assurance Corporation (ESAC) accreditation, the nationally recognized gold standard for PEO reliability and financial assurance.
